

0.5 COMPANY QUALITY POLICY STATEMENT

The Declared Company Policy of PDQ/CentreSoft is that an efficient Quality Assurance system shall form an integral part of the company's operation.

To achieve this goal the company have formulated and documented a comprehensive quality system which involves all management and staff throughout the organisation.

The overall objective of the company policy is to provide a stockholding and distribution service which is totally fit for the purpose, meeting all specified requirements and thereby achieving complete customer satisfaction.

The company recognises the need to continually review and update our systems, set clear objectives as part of our policy of continuous improvement and develop our skills and abilities through a forward programme of training and quality system audit and review.

To achieve these goals, the company is committed to establishing and maintaining a cost effective, planned and systematic quality system that addresses the requirements of ISO 9001.2008.

Group Managing Director and Senior Management Accountant (QMR)
